

WHAT WE OFFER

Set in 30 acres of lawns and woodland with a walled garden and labyrinths, we have meeting rooms, an art room and a large multi purpose barn space that can be used in many different ways to suit your requirements.

You are welcome to hold your own service in our chapel, during the day.

We provide lunch and refreshments, and can also supply projectors and flipcharts, leaving you free to focus on the business of the day.

Our Pastoral Team, can work with you to host and facilitate group sessions, spiritual interventions or collaborative creations if that would be helpful.

We can cater for up to 32 people on a day visit and can also accommodate up to 18 people in 9 rooms overnight.

Almost all of our spaces are on the ground floor and wheelchair accessible, we have a labyrinth designed especially for those with limited mobility and one ground floor bedroom with accessible bathroom.
